# GRACEFULL SPEAKER & MUSIC

Ladies, join us Friday for an evening of fun and music with Gracefull Ladies Ensemble followed by a Saturday filled with discovery games, laughter, and transformation teaching from licensed human behavior coach, Jerra Dooley!

Jerra has assisted thousands of people in discovering their divine design and taking steps toward making their dreams become reality. In 1978, she began speaking and leading "attitude adjustment" seminars to management teams. In 2001, she joined the staff of a large church in the South and began leading "SHAPE" discovery classes to members. In 2002, Jerra founded Gracefull Ministries in answer to a call to share the transforming power of God's grace with other women.

Gracefull has been leading worship for women's events since 2002. Come and hear their lovely voices and enjoy a touch of fun as they sing about the Grace that has changed their lives!
